

Welcome to Baltimore and the Johns Hopkins Family!

Consider joining JHMA ... Johns Hopkins Medical Auxiliary!

*A social networking group
for spouses and partners
of doctors in training at Hopkins*

Moving to a new city can be overwhelming. Not to mention tackling life with a spouse or partner who is taking on the challenges of a medical student, resident, fellow, or newly hired faculty! The Johns Hopkins Medical Auxiliary (JHMA) was founded in 1999 to provide a network of support and services for these families.

Eligible members include spouses, partners, and significant others of medical students, residents, fellows, and newly hired faculty. Annual dues are \$25 or \$35 (July 1 - June 30) based on level of spouse's training.

Membership benefits include:

- membership directory
- member-to-member resource guide
- bi-monthly newsletter
- access to the JHMA listserv with advice for all your questions and others who share your interests
- many events and activities in the Baltimore area for families with and without children

INTEREST GROUPS – Groups serve to meet the many interests and needs of the JHMA members, taking place in members' homes and throughout the Baltimore area to offer a chance to socialize and make friends.

SOCIAL EVENTS – JHMA hosts a variety of social events, such as our summer Welcome Picnic, Halloween Party, and Spring Party. And there are many other opportunities in JHMA to step away from our busy lives to enjoy time with friends in social activities or interest groups geared both for those with and without children.

PHILANTHROPY – We are proud at JHMA of our service projects that help patients and families of the Johns Hopkins Hospital. In the past, our charity committee focused on the HIV/Labor and Delivery Unit. At present, we volunteer with the Johns Hopkins Breast Center for events as well as work to create comfort bag items.
